Reese Witherspoon on Onboarding Women to Web3

July 19, 2022

MasonRothschild.eth 07/19/2022
@everyone: I just wanted to update everyone on the litigation with Hermes. The judge has ruled that the First Amendment applies in our case, and we are confident that in the end MetaBirkins will be fully protected as free artistic speech. We're continuing to litigate the case toward that result, and we'll update you as the case unfolds. Thanks, everyone, for your support!
